DAR
PATHWAY
of the
PATRIOTS

Through partnership with the National Society Daughters of the American Revolution (DAR), this portion of Yorktown battlefield has been rehabilitated by the American Battlefield Trust and is home to the DAR Pathway of the Patriots commemorative trees, each honoring those whose military, civil, or patriotic actions contributed to the cause for American independence during the Revolutionary War. This land, considered the largest non-federally held inholding within the interior of Yorktown battlefield, is now protected and saved in perpetuity by the American Battlefield Trust and protected by a conservation easement held by the Virginia Board of Historic Resources.
